

## **UNIQUE** in the **land**

Unique for the combination of clays and the rocks that constitute the soil of the 24 hectares of our vineyards; a stratification of ancient seabeds, rivers and centuries of Etruscan history.

## **UNIQUE** in the **GRAPES**

Unique in the particular union of our traditional varieties.  
Each with its distinctive character.

## Unique in the **craftsmanship**

Unique in the creative and productive methods, in the pursuit of quality and with margin for personal interpretation.

## Unique in the **longevity**

Unique because we are "Wine Artisans."  
Years of experience and commitment have taught us to further the powers of our land to bring forth age worthy wines.
